The Challenge and the Blessing
of Living Like Jesus

Hebrews 12:2

Rev. Stephanie Templin Ashford

The Challenge and the Blessing

In a recent TikTok video, a woman is scrambling to collect coins in her car to put a small amount of gas in her car. A man notices her counting and sneaks around the other side of the pump, puts in his credit card and fills her tank before she notices. He quickly gets in his car and drives away.

The first time I saw the video I got choked up. It was so countercultural and so kind and so, well, so much like Jesus. I think that in the days of the New Testament, people experienced Jesus as someone who exhibited surprising kindness, generosity, and peace.

The generous man in the video gave up his time and his resources to show radical and surprising love without any expectation of a verbal nod of gratitude or a monetary repayment.

Rev. Stephanie Templin Ashford

This kind of living challenges me. I feel convicted by my own busyness and greed, but I also feel invited to be a blessing to others and to be more aware of the blessings that are all around me.

I'm sure you've had experiences when you served because you were responding to a guilt trip or you gave because there was a plate in front of you, but I also think there are times when you showed up and God showed you why it was worth it.

Throughout the fall at Thompson, we will focus on the challenges and blessings of living like Jesus.

Fix your eyes upon Jesus, the founder and perfecter of our faith - Hebrews 12:2

We have zoomed in on a specific verse: Hebrews 12:2 (look to Jesus, the founder and perfecter of our faith, ...or more simply -- Fix your eyes on Jesus) and from the verse number we have created a series of challenges that revolve around the number 122. These challenges are spiritual, interpersonal, physical, and financial. Each challenge is designed stretch you as well as bless you. Each challenge is also designed to help you to live in a way that reflects the goodness of our God.

We will roll out the details on Rally Day and we can't wait to see what God will do in our church and in our community. We will be challenged and blessed, for sure!!!

In Christ's abundant love,

Stephanie

Be humble and peaceful, and
Jesus will be with you.
Be devout and
calm, and He will remain with
you.

TMPC'S First Quarter Financial Statement

By Kurt Thompson

TMPC 6 Month Financial Summary

Revenue Notes

For the most part, pledged donations are on track compared to the June YTD budget. The YTD unfavorable variance in pledged giving is due the timing of actual donations compared to the monthly budget spread. Non pledged donations are better than plan due to some larger unplanned donations. Glenmede sold investments and recognized some losses in the first half of the year. None of these losses were budgeted. Investment income was generally in line with plan.

General Fund Expense Notes

People costs are essentially on plan and are favorable by \$1,430. We have no interns so far in 2023 representing a savings of \$1,665, payroll taxes are \$1,466 favorable (budget was conservative). These savings were partially offset by the timing of professional education expenses and some additional custodial services when our new Sexton was “shadowing” George Salt before his retirement in April.

Place is net unfavorable by \$3,012 primarily as a result unfavorable: 1) fuel oil and propane costs of \$5,748, 2) ground maintenance costs of \$1,390 and furnishings cost of \$1,135 partially offset lower level of office expenses and the timing of software license payments.

Benevolence is favorable by \$43,740 as a result of not making any direct payments to our mission partners in the first half of the year. These payments are expected to be made in July or August.

Music & Worship is favorable by \$3,375 related to equipment maintenance being \$2,500 favorable (\$1,000 of this is for the purchase of a dolly that was not made (and is not expected to be made in 2023) and from \$1,500 in lower levels of audio/visual costs.

Christian Education is unfavorable by \$2,289. Adult education is \$1,497 over plan and the remaining variances are all believed to be timing related.

No other expense captions had a net variance over \$1,000 YTD

General Fund Net Surplus - YTD TMPC has a net surplus of \$60,890 driven by \$17,101 in favorable revenues and \$43,789 in favorable expenses. Excluding the timing of General Fund Benevolence expenses, the surplus is \$17,150 which shows that in the aggregate general fund expenses are essentially on plan and the favorable variance is due to actual revenues being higher than plan.

Youth Mission Trip 2023

13 students and five adults ventured off the mainland to serve the beautiful people of Puerto Rico. We cleaned homes, worked in fields, and delivered meals, all in the name of Jesus.

Our partner in Puerto Rico was an organization called The Happy Givers, and they lived up to their name. THG provides social services, meal delivery, home care and repair, and much more. They take the challenge and invitation of Jesus joyfully and seriously.

Our lives were changed by participating in such sacrificial love and radical giving. Thank YOU, TMPC for making this all possible.

Abba. Savior. King. Master. Friend. On and on we could go. Yet ultimately, ... God is love. His very nature and essence is love. His driving force and motivation is love. And the way he acts and reacts are the manifestations of His perfect love for us. ... My best theological response for most things is: "I don't know." However, there is one certainty in my life: ... His name is Jesus, and Jesus is love. ... And the wonderful thing is that Jesus did not come to earth just to validate the information that God is love, He came to manifest it fully.

Vacation Bible School

Stellar VBS July 31- Aug 4

What an incredible week we had at Vacation Bible School this summer!

55 kids aged 3-12 years old gathered for a week of music, art, bible study, creativity, and games. It was so wonderful to have our building and grounds buzzing with life and laughter. Our theme this year was Stellar and focused on Jesus' light in the world. five days of camp we heard we heard all about how we can be shining Jesus' light in all times and places.

The week would not have been possible without all the volunteers who came together to give their time and talents. I would like to thank the teen helpers who shepherded the kids from class to class, the Adult volunteers who taught and planned, and the Staff of Thompson who worked so hard to make the camp great! I cannot wait for next summer's VBS!

- Pastor Bailey Heckman

ART CLASS

Each day students made crafts that helped retell the Bible story for the day or would be taken home as keepsakes from camp.

MUSIC CLASS

In the music class students learned new songs and sang old favorites. They would sing and dance and praise the Lord with their music.

EXPLORATION STATION

At the station, students used hands-on learning to engage with the theme of the day with Play-Doh, experiments, and other fun activities.

GAMES & RECREATION

It wouldn't be VBS without time set aside to run around and playing games. From relay races, slip & slides, parachutes and more!

Haven Launch - June 9, 2023

In early June, we had a beautiful inaugural meeting of our Haven community! Folks from in and around New Hope gathered with us to share their stories in our first ever Story Slam. Our hearts were moved as strangers became friends through the simple act of vulnerability and openness. There were cash prize winners for audience favorites, but the real winners were those of us who moved as we listened to stories of belonging. This fall will see new events more joy - stay tuned!

Bible Presentation - September 10

It is a tradition here at Thompson to give out bibles to our children and youth as they move through our programs. In the pages of scripture we can find stories of bravery, words of comfort, lessons on living, the good news of Jesus, and so much more. The truth in these pages are meant for all of us - young and old and it is a joy when we can gift a child their first bible.

We will begin this year by giving bibles to our preschoolers and 3rd graders. Bibles will be presented during both worship services on September 10th.

STUDENT
MINISTRY

High School (8th-12th Grades)

- SERVE** - We care for our community and our world

Middle School (5th-7th Grades)

On **September 15** we are launching a brand new opportunity for 5th, 6th, and 7th graders to grow in their faith. 567 Middle School Ministry will meet on the third Friday of each month, from 5:30-7:00 pm. Sermon Talks

Thursday Mornings - 9:30am

Join Pastor Stephanie or Pastor Bailey each Thursday morning at the church for Sermon Talks. During this Bible Study we will spend time reading through and unpacking the scripture for the upcoming Sunday. This class is open to everyone. Join us!

It wasn't until I began meeting weekly with our new small Group to study the Bible together that I experienced how necessary studying the Bible in a community is to our growth in Christ. We hear a lot about personal study—and I'm all for that. But we won't fully grow in our faith if we only study the Word sitting in our own little corner, in a comfy chair, surrounded by pretty pens, journals, and a hot mug of coffee.

We need to study God's Word in community.

--Lauren Washer
